

Order of Worship

Lighting the Christ Candle: Each week we light the Christ Candle remembering that Christ has come into our world to be the light of the world. In our tradition, we continue to light the candle each week until Good Friday when we extinguish the Christ Candle as a part of our Good Friday service, remembering that Christ lives in us and we are the light of the world.

Worship: We are here this morning to worship God. During this time of Worship through music, feel free to worship in whatever way you are most comfortable: whether standing or sitting, clapping or silently meditating on the words, find a posture where you can best worship God.

Welcome: We are so glad you are here. Connecting through worship is an important part of our ministry. Please take time to complete the Connect Card on your pew.

The Conversation: This is your invitation to join the conversation of First Baptist Church. We believe a conversation with God and others is vital to one's faith development. Each week we strive to initiate an engaging conversation through a message and Biblical text that will continue throughout the week in the way we live and think about our faith journey.

Our Response to God: We believe that God calls us to act on our conversation with God. This is your time to respond through meditation, prayer and commitment.

Worship Through Giving: First Baptist Church is a member-supported ministry. You may share your offering during this time or give online at www.fbcsweetwater.org
